Dear colleagues

We would like to invite you to the 3rd Annual WIC Symposium.

This year, we will focus on various interactions of the heart. Sex- and gender-specific aspects of the heart-brain-axis, of ICU treatment, and of sports medicine will be discussed. We are looking forward to meeting you in Olten!

Prof. Dr. med. Hildegard Tanner  
President WIC

Prof. Dr. med. Barbara Stähli  
Vice-President WIC
